- Remember [] We have been waiting since July for him to complete his PHS for employment processing. Ray called him 2-3 weeks ago to inquire about the status of his paperwork and he reported that it would be forthcoming, however, he has not complied. Since []

25X1

25X1

- [] appears to have lost his enthusiasm for a job on the CIPC, it is recommended that we recruit someone else to fill our vacancy.

- Goldie will be providing secretarial support to COMIREX this week.

- Jane will be filling in for Indie next week.

- The Executive Development Program Course on Automation and the CIA Executive was excellent and provided some incisive insights of the Agency in the future.

25X1

- [] was a classmate and sends his regards. He is now working in DO/PCS.

Critical Intelligence Needs

- During the week, the staff's primary focus has been on the development of the background papers for the critical intelligence needs identified by the CIPC members. Although these background papers are not due until 28 October, we have requested that they provide us a brief status report on their progress at Thursday's CIPC staff meeting.
- The USMC, FBI, and Treasury have provided us some amplifying information on their recommended critical intelligence needs (see Attachments 2, 3, and 4, respectively.)
